

CORE ENTRY REQUIREMENTS

ISO 27001:2022 Internal Auditor Course

PRIOR KNOWLEDGE

SEQM Training recommends that delegates have the following prior knowledge before attending this course:

Management Systems

- Understand the Plan, Do, Check, Act (PDCA) cycle.

Information Security Management

- Basic knowledge of the concepts of information security management (see ISO/IEC 27000).

ISO/IEC 27001

- An understanding of the requirements of ISO/IEC 27001(with ISO/IEC 27002) and the commonly used information security management terms and definitions (see ISO/IEC 27000).

The above knowledge can be gained through:

- Previous experience
- Self-education
- Attending the CQI and IRCA Certified ISO/IEC 27001:2022 Foundation (ISMS) (FD134) course or equivalent

Please ensure the following are available to you before attending:

Access to a copy of ISO/IEC 27001:2022

- It is recommended that participants have access to a copy of the standard for this course. This is not provided by SEQM Training.
